

The Fox and the Stork

One day the Fox and the Stork met and decided to make friends with each other. First the Fox invited the Stork to dinner.

The Fox was a bit of a prankster. He made only soup for dinner and poured it into two shallow bowls; one for himself and one for the Stork.

The Fox finished the soup easily while the poor Stork could only wet the tip of her long bill! She was still hungry at the end of the visit.

No don't be sorry. Thanks a lot for the invitation. I would like to invite you to dinner at my house, too.

I am very sorry.
I think you did not like the soup, huh?
Heh he!

So they arranged an evening that the Fox could visit the Stork for dinner. However in that evening the Stork served all the food in long-necked jars. While the Fox could only lick the outside of the jar with his short snout, the Stork enjoyed the dinner!

What is it Fox? Didn't you like it?

Well, I think I have stomachache...
